Dear Members,

Yesterday the Premier organised for the Queensland Police Union Executive to be personally briefed by the Queensland Government's Director-General & CEO of the Treasury Department, Under Treasurer, Jim Murphy, the CEO of QSuper, Michael Pennisi, Queensland Treasury Executive Manager, Risk and Intelligence, Geoff Waite, and QSuper Head of Technology and Support, Lyn Melcer.

We want to thank these high ranking bureaucrats for personally attending the QPU Executive Meeting. They fielded questions from the Executive and were willing to address and respond to any and all queries.

In short, the Under Treasurer and the QSuper CEO:

1. Guaranteed ALL superannuation for police.
2. Informed the executive that the State Government's defined benefit superannuation as well as all other superannuation is protected in full by both State and Federal legislation and Queensland is the ONLY state in Australia and only jurisdiction in the Commonwealth where all superannuation is fully funded.
3. Confirmed that any proposed alterations to state legislation surrounding superannuation does not have any impact on any member of the Queensland Police Union.
4. Reaffirmed that all defined benefit entitlements and super are 100% safe and fully protected.

We are available should you wish to discuss it further.

Yours Faithfully
